WALK-OVER SHOES

NAME

Walk-Overs need no introduction to the general public, as they are known as the best at the price in the country. MATERIAL All the materials used in this

celebrated line are the best obtainable at any price. WORKMANSHIP

Walk-Overs are made by the best of skilled workmen, and are model products of an up-to-date

LASTS AND PATTERNS

They are made on lasts which fit the feet, and cut by patterns that fit the lasts.

By a combination of the essentials - BEAUTY, EASE and WEAR, - a most desirable result is obtained. This combination is found to a greater extent in Walk-Overs than in any

WORTH

More Welted shoes are made by the Walk-Over makers, (GEO. E. KEITH COMPANY), than any other concern in the world. Thus, purchasers of Walk-Overs get the result of the greatest experience, combined with the best and largest facilities,

All Walk-Overs made from American stock are sold for \$3.50. In order to maintain the present high standard on our imported Heyl's Patent Calf and Sueur's Enamel they must be sold for \$4.

In ordering by mail or express, state STYLE, SIZE and WIDTH plainly, giving name and address. Add 25 cents to the catalogue price, for transportation charges.
